

Geography

In Geography, our topic will be focusing on cities. We will be identifying and comparing features of two cities (Liverpool and New York).

English

In English, we will progress our learning linking to the book 'The Paperbag Prince' by Colin Thompson. The story of an old man living in a railway carriage on a rubbish dump who knows that even rubbish can sometimes contain treasure. We will be working towards creating a persuasive leaflet which will include model verbs and cohesion.

RE

In RE, we will continue our learning of Christianity and the concepts we find hard to understand.

Computing

In Computing, learners start to create vector drawings. They will learn how to use different drawing tools to help create images.

Science

In Science, we will be learning about the properties of materials. How are materials suited for purpose? We will test materials and find out how they are different and why.

Maths

In Maths, we will begin learning about position and movement, measurements and starting our topic on area and perimeter.
